---

## WORK EXPERIENCE

Frontend Developer Intern | dreamsguider.com

*Feb 2024 – Jul 2024*

- Worked on frontend development using React.js, and JavaScript.
  - Implemented responsive UI designs and enhanced user experience.
  - Integrated REST APIs and optimized application performance.
  - Followed best practices in coding and version control (Git/GitHub).
-

## PROJECTS

### YouTube Clone (Frontend – React.js)

- Developed a frontend YouTube clone using React.js, HTML, CSS, and JavaScript.
- Implemented features like video listing, search functionality, and video player integration.
- Used YouTube Data API for fetching video details and thumbnails.

### Car Booking System (Frontend – React.js)

- Created a car rental booking system frontend using React.js.
  - Implemented UI for car listings, booking form, and user dashboard.
  - Focused on responsive design and smooth user navigation.
-
